

## Love Songs

Maggie Lindemann

I'll take away the hurt  
Tell me all your fears  
And if you're feelin' scared, I'll be here  
You don't have to be tough with me  
I'll protect you from it all  
I could be your safety net, if you'd let me  
'Cause when you're happy, I'm home

Smiling feels different with you  
Crying feels better with you  
If love is a game, then I'm willin' to play  
'Cause somethin' was missin' 'til you  
Somethin' was missin' 'til you

I'll be there through your flaws  
Catch you if you fall  
And if you call for me, I'll be there  
I just wanna make you feel loved  
I'll carry the weight for you  
You deserve everything life can bring  
'Cause nothing compares to you

Smiling feels different with you  
Crying feels better with you  
If love is a game, then I'm willin' to play  
'Cause nothin' is missin' with you  
Nothin' is missin' with you
