

# Overnight

Maggie Rogers

I remember way back, late night, throw back  
Sitting on the front lawn, talking  
When I lost it, and oh, I lost it

I remember you were saying you would come back, run back  
Find me on the front porch like that  
But you waited, so I got wasted

And I've always said I'd never let  
Myself hold on this long

'Cause people change  
Overnight  
Things get strange  
But I'm alright  
I'm still here  
And I'm still high  
And I'll still meet you in the middle of the night  
But if you lie to me  
Lie to me  
Lie to me  
I'm gone

I still wonder if I called you, what would I do  
Leave a too long voicemail that I hate  
And then erase it, like I planned it

And I wonder if I still lived in the city  
Would I see you at a party  
Take a big sip of my whiskey and then leave quickly  
And pray you missed me

And though I still know  
Exactly how this ends  
I keep holding on

'Cause people change  
Overnight  
Things get strange  
But I'm alright  
I'm still here  
And I'm still high  
And I'll still meet you in the middle of the night  
You know I'll meet you in the middle of the night  
But if you lie to me  
I'm gone

Oh I feel it in me  
Please forgive me  
Leave this memory  
Don't say you miss me  
Oh I know it's still in me  
Please forgive me  
Leave this memory  
Don't say you miss me

'Cause people change

Overnight  
Things get strange  
But I'm alright  
I'm still here  
And I must still be high  
Cause I'll still meet you in the middle of the night  
But if you lie to me, lie to me

Change  
Overnight  
Things get strange  
But I'm alright  
I'm still here  
And I must still be high  
But I'll still meet you in the middle of the night  
Oh if you meet you in the middle of the night  
You know I'll meet you in the middle of the night  
But if you lie to me  
Lie to me  
Lie to me  
I'm gone
