

# Do It

Maggie Rose

I got this feeling got me reeling  
Going out of my mind  
Like I'm losing time  
There's no good reason  
To keep me from living my life  
I've got to simplify

Do what I wanna do  
Say what I wanna say  
Live how I want to live  
Be who I wanna be  
Love who I'm gonna love  
Show em what I'm made of  
Ain't nothing to it  
Gotta do it, do it, do it

Why should I be a people pleaser  
Fall into line  
That would be such a crime  
I won't be my own enemy  
And as far as I can see  
There ain't nothing in front of me  
In my way  
No, it's just that easy

Do what I'm wanna do  
Say what I'm wanna say  
Live how I'm want to live  
And who I'm gonna be  
Love who I'm gonna love  
Show 'em what I'm made of  
Ain't nothing to it  
Gotta do it, do it, do it

Do what I wanna do  
Say what I wanna say  
Live how I want to live  
Be who I'm gonna be  
Love who I'm gonna love  
Show 'em what I'm made of  
Ain't nothing to it  
Gotta do it, do it, do it

Do what I wanna do  
Say what I wanna say  
Live how I want to live  
Be who I'm gonna be  
Love who I'm gonna love  
Show 'em what I'm made of  
Ain't nothing to it  
Gotta do it, do it, do it

Do what I wanna do  
Say what I wanna say  
Live how I want to live  
Be who I'm gonna be  
Love who I'm gonna love

Show 'em what I'm made of  
Ain't nothing to it  
Gotta do it, do it, do it
