

# Wait In Vain

Magic Affair

Wooh yeah

I don't wanna wait

I don't wanna wait in vain for you Baby

I don't wanna wait in vain

I don't wanna wait in vain for you Baby

I don't wanna wait in vain

I wanna hold you in my arms and care of you

And never let you go

There is no moon and no sun there is no doubt

I can't forget about you

When I'm thinking about you, the way you move

The way you make me feel (Oooh)

And everything in my head can turn around

Makes me wanna shout, no no

Don't make me wait

Cause I feel lonely, lonely, lonely, lonely

Yeah

Oh please don't make me wait, my decision's made

It's with you I want to be

There is no moon and no sun there is no doubt

I can't forget about you

Don't let the moment pass it by, it's not the time to deny

I will offer you anything

And everything in my head can turn around

Oh no no

Don't make me wait

Cause I feel lonely, lonely, lonely, lonely

Got to get up, got to get up, got to get up

Got to get up, got to get up, got to get up

Don't make me wait for you Baby, wait for you Baby
