

Monster

Magic Man

Out they walked in single file
through the darkness of your smile
they tied a rag across my eyes
a silver spoon to feed me lies

Out they walk in single file
through the door I saw you smile
I, well I was the only one to know
they tied a rag across my eyes
a silver spoon to feed me lies
but you, you were the only one to know

so find your monster
don't tell your friends and
write your name on the back of the page
just to trap all the flowers and keep your hands clean
leave the earth in a jar and come back to it

they walk in single file
through the door I saw you smile (saw you smile x2)
they tied a rag across my eyes (across my eyes x2)
a silver spoon to feed me lies (I was the only one to know)

and they walk in single file
through the door I saw you smile
and I well I was the only one to know

tied a rag across my eyes
a silver spoon to feed me lies
but you, you were the only one to know

(oooh oooh hey hey)
