

## Oh Sister

**Magic Man**

You know, you never know  
You know, yes I will ...  
Wish I, wish I was a piece, but never a pawn  
Oh Sister, I don't mean you no harm  
Oh Sister, I don't mean you no harm

The sun, the sun it shines  
The light, the light is just mine  
Hang on, listen, hang on, listen

Oh Sister, I don't mean you no harm  
Oh Sister, I don't mean you no harm

Oh Sister, I don't mean you no harm  
Love it lies our way  
Oh Sister, I don't mean you no harm  
Love it lies our way  
Oh Sister, I don't mean you no harm  
Love it lies our way  
Oh Sister, I don't mean you no harm  
(repeat)
