

Okay

Magixx

You know mankind so wicked
Na why me tread carefully everyday
See as I dey mind my business
See say I dey mind my business
Only your mama wants you bigger
And when me dey for my darkest times
Nobody to check on me then
See as I dey grind for fitness

Like ama soldier
Family rest pon me shoulder
Never see clear when me sober
So I must to roll one
Life of a loner
All of the stress I been under
Pray that my cup runneth over over

But I'm okay tonight
Oh oh
But we gon' be alright
Eh eh
And I'm okay tonight
Oh oh
Yeah we gon' be alright
Eh eh

Show me all the loving now
When I still dey alive o
Cause all the pain and all of the pressure
Fit dey make a man fall to depression
Sleepless nights and sacrifice
Maky my mind dey fly
Be like them forget sey I be human being
No forget sey I be human being

Like ama soldier
Family rest pon me shoulder
Never see clear when me sober
So I must to roll one
Life of a loner
All of the stress I been under
Pray that my cup runneth over over

But I'm okay tonight
Oh oh
But we gon' be alright
Eh eh
And I'm okay tonight
Oh oh
Yeah we gon' be alright
Eh eh
