

## What's Broken Becomes Better

Magnolia Electric Co.

i learned to trust  
anything but love  
the fights' not just in the blood  
its in the dawn and in the dusk

it is as it is  
and as it was

chorus (x2)  
good love follows bad  
follows bad  
follows blood

can you stand as a man?

stands by what what he's been?

this aint all there is  
this aint all there is  
but if its all i have

what's broken will become better  
if we can

what's broken will become better  
if we can
