Magnolia Park

I got some shit to say! I'm tired of all you Pop Punk motherfuckers talking sweet about Magnolia Park! I hear y'all saying Mag Park ain't punk, Mag Park uses autotune, shut the fuck up! If I hear another motherfucker saying Mag Park is a TikTok band, I'm beating their ass. You know they coming with the hits, and Baku been on probation since fuckin', I don't know when. This is it... This is Baku's motherfuckin' revenge!
