

OPHELIA

Magnolia Park

Headed southbound on a runaway train
And they found you with a flannel tied around your waist
So sleep now, Ophelia
This world wasn't good enough for you

Can you tell me

Where do we go (Do we go, do we go, do we go)
When we die (When we die, when we die, when we die)
Where do we go (Do we go, do we go, do we go)
When we die (When we die, when we die, when we die)

Are your scars healed? Does it hurt anymore?
Are your bones cold as the tile on the bathroom floor?
Do you see now, Ophelia?
This world wasn't good enough
World wasn't good enough

Can you tell me

Where do we go (Do we go, do we go, do we go)
When we die (When we die, when we die, when we die)
Where do we go (Do we go, do we go, do we go)
When we die (When we die, when we die, when we die)

When we die
Where do we go

Where do we go (Do we go, do we go, do we go)
When we die (When we die, when we die, when we die)
Where do we go (Do we go, do we go, do we go)
When we die (When we die, when we die, when we die)
