

## Hide Out

Mahalia

Can anyone live with Eartha Kitt?  
That's not for me to decide. That's for someone who decides to live with me to decide. Not for me  
But are you willing to compromise within a relationship?  
Compromise? What is compromising? Compromising for what reason? To compromise? For what!

You said all these things  
You don't have to call me, you don't gotta say it  
I already guessed, love  
You been playin'  
I don't need to know where you are now  
I don't see no reason for a blowout  
I was here the whole time, you were busy chasing  
You don't know what you had, I'm amazing

I was all in and you was all out  
I'll get back up after this fall-down  
Look me in my eyes and tell me you never loved me, yeah  
Babe, it's no surprise, if I was you I'd feel lucky, uh, uh

Yeah, you striked out  
All the times, thought that I didn't know 'bout  
All the lies you denied, but I know now  
'Bout your hideout  
I can't believe you thought I'd never find out, uh, uh, uh  
Said all these things, oh yeah, mmm, uh, uh, uh  
You said all these things, oh, uh, uh, uh

I ignored the rumours, that's my lesson  
Clearly I'm your humour, you been messin'  
Always talkin' 'bout the future when you not even present  
I'm the prize, uh, I'm a blessing  
I was cool to slow down, you were busy racing  
Had it all figured out, you knew I'd cave in

I was all in and you were all out  
I'll come back up after this comedown  
Look me in my face and tell me this ain't bravado, uh  
I let you set the pace, all I did was just follow, uh, uh

Yeah, you striked out  
All the likes, thought that I didn't know 'bout  
All the times you denied, but I know now  
'Bout your hideout  
I can't believe you thought I'd never find out, uh, uh, uh  
You said all these things, oh, mmm, yeah, uh, uh, uh  
You said all these things, oh, uh, uh, uh
