

# Instructions

Mahalia

Introducing all massive and crew  
London, Jamaica, New York  
Yeah, say, let me go

Pull up to the venue, pree the menu  
I need a drink and a friend too  
I know you see me, show me something  
We should do what we wanna do  
Tell me, are you're lookin' to mind your business or would you rather mind mine?  
It would be a shame to waste the thing we got goin' on inside

See, I don't wanna go home until everyone here knows you're mine  
Let's give 'em a show, baby

Rock to the left, rock to the right  
Come have a sample, a taste of the light  
Yeah, me and you, we're goin' home to mine  
Tell mi friend dem to catch another ride  
Rock to the left, rock to the right  
If you can handle it, come take a bite  
Yeah, me and you, we goin' home to mine  
Tell your friend dem to catch another ride

I said, to the left, yeah, to the left  
Ah, to the left, let me see you goin' left  
Ah, to the right (To the right), ah, to the right  
Ah, we, ah, rock so all night

We don't need to be a secret no more (More)  
I'm givin' you my heart, so keep it  
Nobody's keepin' score  
I don't need yours  
Whenever you're ready to leave it with me  
I'll keep it, I'll keep it  
But for now, baby, let's get busy  
Don't deep it, I mean it

I don't wanna go home until everyone here knows you're mine  
Let's give them a show, baby

Rock to the left, rock to the right  
Come have a sample, a taste of the light  
Yeah, me and you, we're goin' home to mine  
Tell mi friend dem to catch another ride  
Rock to the left, rock to the right  
If you can handle it, come take a bite  
Yeah, me and you, we goin' home to mine  
Tell your friend dem to catch another ride

To the left, to the left, ah, to the left  
Let me see you goin' left, oh  
Ah, to the right, ah, to the right  
Ah, we ah rock so all night  
To the left, ah, to the left  
Ah, let me see you just rock to the left now  
Ah, to the right, ah, to the right

Ah rock so, we can do it all night, oh

Do it all night now, oh
