

## Never Change

Mahalia

If you can't change, things can't be the same anymore  
If you cannot change baby, I'll go my way and you go yours

I been waiting on you for so long  
I been hoping that you'll come and prove me wrong  
I been hearing round the town that your about to let me down  
Chinese whispers putting fear in my heart  
My hearts not mine it was yours from the start  
And I been listening to words when I'm out but benefit of the doubt is resorting to doubt

If you can't change, things can't be the same anymore  
If you cannot change baby, I'll go my way and you go yours

I been waiting on a miracle  
I been holding on  
All I've done is put myself out and now your 'bout to let me down  
People whispering putting fear in my heart  
My hearts not mine it was yours from the start  
And I been listening to words when I'm out but benefit of the doubt is resorting to doubt

If you can't change, things can't be the same anymore  
If you cannot change baby, I'll go my way and you go yours

It's my understanding people don't change unless they want to  
I am just demanding, you give me a little more of you  
See from where I'm standing  
You're not giving me what I need to breath so I have to leave

If you can't change, things can't be the same anymore  
If you cannot change baby, I'll go my way and you go yours  
If you can't change, things can't be the same anymore  
If you cannot change baby, I'll go my way and you go yours  
I'll go my way and you go yours  
I'll go my way and you go yours  
I'll go my way and you go yours
