

Roadside

Mahalia

No fit buy love with Ferragamo
You no fit buy love with Ferrari, oh
Be man no be by jalabia, oh
Shey you dey talk all your own
You no talk wetin I do for you
Girl, I will do better (Oh na)
You raise the bar so high, but I will do better (Oh na)
I shy away when you school me like a school teacher
I'll take my chance when I know, say I don't get Visa

That you left me, left me, left me on the roadside (Da-da, da-da, da-da)
When you kept me waitin' on you all night
I never knew you'd be a heartbreaker (Da-da, da-da, da-da)
I'm done with your fake love (Your fake love)
You left me, left without a goodbye (Ooh, girl, I'm sorry, I'm sorry)
But I really thought you was a good guy
I should've known you was a heartbreaker (Ooh, girl, I'm sorry, I'm sorry)
I'm done with your fake love (I'm done with your fake)
Love, love, love, love

Baby, you, you indescribable
You indefinable, oh, my God
Baby, you, you unreliable
Unjustifiable in the things you do
I introduced you to my brothers
And you came 'round for dinner with my mother
Yes, you, you still went and did a runner
Guess you showed your true colours
So it's too, too bad
What a shame I never saw you like that
Didn't see it comin', but it happened real fast
Too bad, too bad

That you left me, left me, left me on the roadside
When you kept me waitin' on you all night
I never knew you'd be a heartbreaker (Heartbreaker)
I'm done with your fake love (Your fake love)
You left me, left without a goodbye
And I really thought you was a good guy
I should've known you was a heartbreaker (Heartbreaker)
I'm done with your fake love (I'm done with your fake)
Love (Da-da, da-da, da-da)
Love, love, love (Da-da, da-da, da-da)

T-B-H, you were kind of mid, but I gave you a chance
But you treat me like shit, why you treat me like shit?
How dare you make a bad bitch cry?
How dare you bring this angel down?
Like the Naira, I fell for you
There was nothin' I would not do
For your mind, you dey form, you know
And I know say na déjà vu
It's not the first time, not the first
But will surely be the last time, be the last time
Now I'm all about my paper
You've made me strong, Mr. Heartbreaker

'Cause you left me, left me, left me on the roadside (On the roadside)
When you kept me waitin' on you all night
I never knew you'd be a heartbreaker
I'm done with your fake love (Your fake love)
You left me, left without a goodbye (Goodbye)
And I really thought you was a good guy (Good guy)
I should've known you was a heartbreaker (Heartbreaker)
I'm done with your fake love (I'm done with your fake)

Love (Da-da, da-da, da-da)
Love, love, love (Da-da, da-da, da-da)
I'm done with your fake love (Ooh, girl, I'm sorry, I'm sorry)
Love (Ooh, girl, I love you, I love you)
Love, love (Ooh, girl, I'm sorry, I'm sorry)
Baby, don't leave me, don't leave me, na
