

# Square 1

Mahalia

All this time I been waiting 'round (But if I'd known)  
You'd give up while I'm holding this down (Then I would have)  
Treated you much differently  
I wouldn't have been so cozy  
Guess I'll let you figure this out

Yeah, we go, yeah, we go  
Back again, uh, back again love  
Yeah, we go, yeah, we go  
Back to love songs and back to friend zones  
Didn't even get to go 'round in circles  
Now you're acting scared, son  
Yeah, we go, yeah, we go  
Back again love  
Back again, back again  
Back to square 1

I'm not a big fan of surprise (And I know you know)  
I'm not into living no lies ('Cause I told you so)  
You never should have came my way  
And I should have never let you stay  
All this 'cause I swallowed my pride, ha ha

I (I), you (You), could've been something  
More you (You) knew (Knew)  
We'd remain nothing more than friends (Friends)  
You knew (You knew), we could do nothing more than friends (Friends) do (Do)  
Back to square 1  
Back to square 1

Yeah, we go, yeah, we go  
Back again, uh, back again love

Hm hm. Ah. I knew you would. You know, a part of me thought, like, this time  
was gonna be different. But it's like every single time I think you're bein  
g straight with me, I think I understand you, and then before you know it, y  
ou just go right back around. Haha

Yeah, we go, yeah, we go  
Back again, uh, back again love  
Yeah, we go, yeah, we go  
Back to love songs and back to friend zones  
Didn't even get to go 'round in circles
