

# Break the Chains

**Maher Zain**

I know how it feels  
To lose everything, everything, oh  
I've faced the walls so high above the ground  
I've dreamt for hours and hours  
About the day, about the day when  
I can say that nothing can hold me down

I will fight through all the pain  
It's a journey I will make  
You can try but you will never break this heart  
Of mine again

Sometimes it feels like freedom is far away  
But I know, yes I know  
I will break all the chains, yeah  
Sometimes it feels like nothing will ever change  
But I know, yes I know  
I will break all the chains, yeah

You wanna tear me apart  
But I am strong, I am strong  
No matter how hard you try  
I'll never let you see my tears  
I've finally found the place  
Where I belong, I belong  
I'm wise beyond the sore above my fears

I will fight through all the pain  
It's a journey I will make  
You can try but you will never break this heart  
Of mine again

Sometimes it feels like freedom is far away  
But I know, yes I know  
I will break all the chains, yeah  
Sometimes it feels like nothing will ever change  
But I know, yes I know  
I will break all the chains, yeah  
I know

It's not easy, I know  
Just gotta let it go  
I will forgive, I will forgive (I know)  
With all my heart and soul  
God has given (I know)  
The courage than I need (I know)  
So I can live, I can live  
With honor and dignity

'Cause I'm free  
Yes, I am free

Sometimes it feels like freedom is far away  
But I know, yes I know  
I will break all the chains  
I will break all the chains  
Sometimes it feels like nothing will ever change

But I know, yes I know  
I will break all the chains, yeah

Sometimes it feels like freedom is far away  
But I know, yes I know  
I will break all the chains, yeah  
I will break all the chains  
Sometimes it feels like nothing will ever change  
But I know, yes I know  
I will break all the chains, yeah  
I will break all the chains
