## **Hold My Hand**

I hear the flower's kinda crying loud The breeze's sound in sad Oh no Tell me when did we become, So cold and empty inside Lost a way long time ago Did we really turn out blind We don't see that we keep hurting each other no All we do is just fight

Now we share the same bright sun, The same round moon Why don't we share the same love Tell me why not Life is shorter than most have thought

Hold my hand There are many ways to do it right Hold my hand Turn around and see what we have left behind Hold my hand my friend We can save the good spirit of me and you For another chance And let's pray for a beautiful world A beautiful world I share with you

Children seem like they've lost their smile On the new blooded playgrounds Oh no How could we ignore , heartbreaking crying sounds And we're still going on Like nobody really cares And we just stopped feeling all the pain because Like it's a daily basic affair

Now we share the same bright sun, The same round moon Why don't we share the same love Tell me why not Life is shorter than most have thought

Hold my hand There are many ways to do it right Hold my hand Turn around and see what we have left behind Hold my hand my friend We can save the good spirit of me and you For another chance And let's pray for a beautiful world A beautiful world I share with you

No matter how far I might be I'm always gonne be your neighbor There's only one small planet where to be So I'm always gonna be your neighbor We cannot hide, we can't deny That we're always gonna be neighbors

## **Maher Zain**

You're neighbor, my neighbor We're neighbors

So hold my hand There are many ways to do it right Hold my hand Turn around and see what have left behind

So hold my hand There are many ways to do it right Hold my hand Turn around and see what have left behind Hold my hand my friend We can save the good spirit of me and you For another chance And let's pray for a beautiful world A beautiful world I share with you
