

Hero

Mahmut Orhan

And when you leave I want me cryin'
Yeah, I'm so down, I won't deny it
'Cause I'm so full of it, I'm wasted
I, I'm wasted
I, I'm wasted
And when you shout on me, I'm silent
You're always right, I won't deny it
If this was love than we've erased it
Erased it, erased it

And if you ask me why
I'll listen, ain't no lie
I'll start with a goodbye
I just don't love you
I just don't love you

Oh, no, another hero
Another hero, no another hero
You won't save me from myself
No, another hero
Another hero, no another hero
No, another hero
Another hero, no another hero
Won't save me from myself
No, another hero
Another hero, no another hero

And when I hear you say goodnight
I know that this is where we party
But you're too full of expectations
I, I'm wasted
I, I'm wasted
And when you shout I will be silent
You're always right, I won't deny it
Baby, this love is overrated
Overrated, overrated

And if you ask me why
I'll listen, ain't no lie
I'll start with a goodbye
I just don't love you
I just don't love you

You won't save me from myself
Oh, no, another hero
Another hero, no another hero
Won't save me from myself
No, another hero
Another hero, no another hero
Won't save me from myself
