

# Lost

Mahmut Orhan

In the deepest dream  
I'm crawling  
It's not a wonderland  
Reckless

A hide side of myself  
Is wiggling  
It's taking over me  
Fearless

I'm lost  
Down the darkness of my shape  
Running always the same hell  
And there's no one I can yell

I'm bound  
Tied up by the same breath  
Walking always the same trail  
Like a circle I can't break

I'm lost  
I'm lost  
I'm lost  
I'm lost  
I'm lost

In the deepest dream  
I'm crawling  
It's not a wonderland  
Reckless

A hide side of myself  
Is wiggling  
It's taking over me  
Fearless

I'm lost  
Down the darkness of my shape  
Running always the same hell  
And there's no one I can yell

I'm bound  
Tied up by the same breath  
Walking always the same trail  
Like a circle I can't break

I'm lost  
I'm lost  
I'm lost  
I'm lost  
I'm lost
