

Move On

Mahmut Orhan

I go up
You go down
It's the world
Spinnin' round
Take your shit
And move on
To the beat of this drum
Just move on

Just move on
Move on

Take your shit
And move on
To the beat of this drum

Hear me when I say
It's a new day
You got to move on
Move on

Hear me when I say
It's a new day
You got to move on
Move on

Just move on
Move on

Take your shit
And move on

I go up
You go down
It's the world
Spinnin' round
Take your shit
And move on
To the beat of this drum

Just move on
