

## Save Me

Mahmut Orhan

My friend, what have you done to me  
They've been watching  
Been hurting, falling on my knees  
I've been fighting  
Don't ask me why, don't make me lie  
I didn't wanna hide, didn't wanna hide

Somebody to save me, save me  
It's somebody to save me, save me  
Could you save us? I need faith, yea  
Woah oh

My friend, what have you done to me  
They've been watching  
Been hurting, falling on my knees  
I've been fighting  
Don't ask me why, don't make me lie  
I didn't wanna hide, didn't wanna hide

Somebody to save me, save me  
It's somebody to save me, save me  
Could you save us? I need faith, yea  
Woah oh
