Get your juice took, gotta buy it back, you ain't like that  
Try to show up for some lame bitch  
And you gonna get embarrassed right in front of that same bitch  
Never poked nothing, never popped nothing  
Every time it's on, you screaming "it ain't 'bout nothing"

Where the bums get the crumbs  
When the shots rang, you the first to run  
Cause see you in the trap, fiends get you for the work  
When the boys rushed, you gon' save your own self first  
Real niggas to the front, that mean you in the back  
Smoked your own, you ain't gonna do nothing back  
My niggas G'd though, put my feet up

Just a fuck nigga begging for attention  
On my instagram trolling through my mentions
