

## Retaliate

Maino

Yea yea yea yea yea  
Nigga you guna die I swear to god man I promise  
Send you up to god motherfucka I'm a punish you  
You betta believe this the day dat I'm a come for you  
See me on that screen and you thought that I got comfortable  
Hear me on that box and you thought that I was slippin now  
See me in the tent and you thought that I was different now  
But I ain't never change but I'll catch you on my aim  
When we finally run into each other nigga we gun bang  
Homie you guna get it can't forget the shit you did  
You don't deserve the breathin don't deserve to live  
I fucked up I fucked up I should've been kilt you  
Should've been hammered up should've been nailed you  
It is what it is you know just wat I'm talkin bout  
Gangsta ass nigga kno exactly who I'm talkin bout  
Let the trigger fly sing your spirit to the sky  
I pray that you get murdered everyday I fantasize  
We guna throw a party when you really finally die  
We glad that you gone we guna laugh wen u fry  
We piss on your name we guna shit where you lay  
We celebrate your death pop bottles at your grave  
You better stay armed up I'm a get you blownd up  
I'm a get you shot down shot gun miles bust  
Duck down I'm up now I can't wait to trill you  
Your day is guna come I won't rest until I kill you

Dear father god please forgive me for my sins  
My heart full of hatridge and I'm plottin on revenge  
My pistol fully loadedd lord help me give me strength  
If I see him I'm guna kill him cause my heart now hatin

I wish death on my enemies

Listen yea  
I want you so bad that right now I can taste you  
Caught in my emotions I'm positive I hate you  
Prayin on that day that I can send you to da angels  
Hop out and let that chrome desert eagle face you  
I see you in my dreams havin visions that I slayed you  
Whole clip empty I'm still tryin to spray you  
God please forgive me but this retaliation  
I'm tired of playing cool my niggas tired of waiting  
We guna get together like we savages in caves man  
We guna hunt you down bury you inside the basement  
Look at wat you made me I'm pissed off and angry  
I'm fucked up and twisted music can't change me  
It's guna bring me joy just to see you on your deathbed  
Bullets in your torso a hole in your forehead  
I ain't guna hesitate to run up give you more lead  
Come where you live inkill you on your doorstep  
Put you in a cascade put u in a sleeping bag  
Put that on my dead homies I'm a murder u n laugh  
Look me in da eyes I'm a ride like I'm suppose to do  
Promise I'm jus waiting on the time to get close to you  
Fuk rap it's a fact nigga this ain't liquor talkin  
Fuk that I'm a clap cause I'm sick of talkin  
I'm comin I can't wait to drill you

Your days now numbered won't rest until I kill you

Dear father god please forgive me for my sins  
My heart full of hatred and I'm plottin on revenge  
My pistol fully loadedd lord help me give me strength  
If I see him I'm guna kill him cause my heart now hatin

I wish death on my enemies
