

# That Could Be Us

Maino

Uh! Nah Oooooooooohhhhh!!!!

Oh Yeah Yeah Yeah! Yeah Yeah Yeah Yeah Yeah!

See we could do it big like Beyonce and Jay-Z  
Livin that life like Swizz and Alicia Keys  
Barack and Michelle! We could start our first family  
Girl you wanna do it? Baby just come with me  
(That could be us, be us, be us)  
(That could be us, be us, be us)  
(That could be us, be us, be us)  
(That could be us, be us, be us)

(Maino talk to em right!) Drop dead gorgeous, diamonds on her necklace  
She's serious Louboutin princess  
Somebody's girl, she probably might be one  
I know a real bad bitch when I see one  
I'm like, if it was me I'd keep hun  
Because she the kind of girl a nigga need son!  
No games I'm serious I think I really like her  
Oh lord she's it I'll wife her  
Hopin I can get close enough to try her  
Man I would lock her down, life her  
'Cause she's the baddest bitch in the world  
And all I think is how I'm supposed to make her my girl  
Damn! I just want to get the chance to please her  
Look at Jay-Z and B that could be us  
You got what I need I knew it  
Let's not wait time let's do it

See we could do it big like Beyonce and Jay-Z  
Livin that life like Swizz and Alicia Keys  
Barack and Michelle! We could start our first family  
Girl you wanna do it? Baby just come with me  
(That could be us, be us, be us)  
(That could be us, be us, be us)  
(That could be us, be us, be us)  
(That could be us, be us, be us)

Yeah! Come on! Yeah!  
Presidential dine, presidential nights  
You Michelle Obama, the president's wife  
I done made my old girl jealous  
On the red carpet now my new chick famous  
My dog told me lately I ain't focused now  
'Cause it's clear, shorty got me open now  
She really got me spinnin like a ceilin fan  
I ain't in and out the clubs I'm a different man  
I used to play around with the groupies yep  
Met her, then I gave the groupies up  
Long hair, green eyes  
True Religions fittin tight around her mean thighs  
I ain't trippin off of what my boys said, I'm juist tryin to be her boyfrien  
d  
And you ain't got to worry about them chicks  
'Cause baby, you that bitch!

See we could do it big like Beyonce and Jay-Z

Livin that life like Swizz and Alicia Keys  
Barack and Michelle! We could start our first family  
Girl you wanna do it? Baby just come with me  
(That could be us, be us, be us)  
(That could be us, be us, be us)  
(That could be us, be us, be us)  
(That could be us, be us, be us)

(Maino! Talk to 'em) You my Gabrielle (Yeah) My Halle Berry (My!)  
Jada Pinkett (My! My!) Your my Taraji  
Shades on you a actress  
Nose turnt up walk like you that bitch  
I know exactly what you all about  
The new Louis bag, before it's even out  
Yeah! Baby I know how to treat ya  
Handcuffs you a keeper

See we could do it big like Beyonce and Jay-Z  
Livin that life like Swizz and Alicia Keys  
Barack and Michelle! We could start our first family  
Girl you wanna do it? Baby just come with me  
(That could be us, be us, be us)  
(That could be us, be us, be us)  
(That could be us, be us, be us)  
(That could be us, be us, be us)

I'm talkin like B! and Jay! Swizz! Keys!  
Barack y'all! Michelle y'all!  
Baby what I'm tryin to say! It's you and me!  
Forever, girl! I said forever, girl!  
That could be us yeah! that could be, that could be, yeah!  
No more games! It's you and me now girl!  
It's you and me now girl!  
It's you! and me! It's you! and me!  
Forever! I'm talkin 'bout forever!
