Yeah you already know what it is, you know what we about. We gon' keep on winnin', we gon' keep on shinin', we gon' keep on risin'. Unstoppable on these niggas. You understand!?

You must ain't used to us winnin'  
Seein' my team poppin' and shinin'  
But I don't fuck with you tonight  
But I don't fuck with you  
You prolly one of them niggas who've hatin' on me  
You prolly one of them bitches who've been blinded  
Been weighing on my downfall  
Don't wanna see me with the crown, dawg  
Go figure  
You're prolly one of them niggas who've been stressin'  
Cause I'm in VIP and you ain't on the guest list  
I said I would invite you niggas to my section  
But I don't fuck with you tonight

When they see you break, weak niggas'll hate  
Spectacular, ask niggas why they're mad at yah  
Diamonds glistenin', niggas whisperin'  
Yeah it's them again, order more rounds for my women friends  
Clear the room, when I'm comin' through  
You already know we don't fuck with you  
So I'm a make a toast to these niggas  
Come on, snap a picture, let me pose for these niggas  
I'm a ball harder cause I know that they there watchin'  
Know that they've been plottin' but failure's not an option  
Spendin' thousands, drive drunk with a crown on  
One room, two models, I'm a pound 'em  
You niggas just food to stick the hounds on  
But I'd rather let you see me get my style on  
Still grinnin', all these bitches I've been in  
Let's get it, 30 bottles, we winnin'

You must ain't used to us winnin'  
Seein' my team poppin' and shinin'  
But I don't fuck with you tonight

"How you living Maino?"

Brought my new girl and she brought out her main chick  
Big shoes like I'm Big Daddy Kane, bitch  
Margielas on, the camera's on  
Pretty ho, body like a Amazon  
Too drunk, I can barely keep my balance on

G shit but my fade look like Farrakhan's  
Hatin' ass niggas still prayin' on my downfall  
Fuck 'em all, that's just gon' make me wear the crown more  
More, I don't fuck with you tonight  
Nah, I don't fuck with you for life  
All that slick talk'll get your girl fucked out of spite  
Pull up on your block in a Wraith, I just might  
Shorty said, "You be doin' the most", prolly right  
I shits on 'em, get 'em so mad they wanna fight

You must ain't used to us winnin'  
Seein' my team poppin' and shinin'
