

# Roads

## Mainstay

Where you are right now  
Isn't where I'm supposed to be, I know  
But I entertain the thought  
Promise I will make it brief and go

I'm gone  
I'm gone  
I'm gone

I won't stay by the side of the road  
And just wait for another tomorrow  
Maybe we could make it there by tonight

'Cause the road always seems too long  
And the right turns sometimes feel wrong  
But don't stop this time, this time

Everyone I pass  
Feels the same way on a different street  
Fall asleep for days  
It's not envy if it's just a dream

I'm gone  
I'm gone  
I'm gone

I won't stay by the side of the road  
And just wait for another tomorrow  
Maybe we could make it there by tonight

'Cause the road always seems too long  
And the right turns sometimes feel wrong  
But don't stop this time

I'm gone  
I'm gone  
I'm gone

I'm gone  
I'm gone  
We're gone

I won't stay by the road  
And wait for tomorrow  
Maybe we could make it there by tonight

'Cause the road always seems too long  
And the right turns sometimes feel wrong  
But don't stop this
