

John Hughes Movie

Maisie Peters

This wasn't how it's supposed to go
I should be the one you're dancing with
Spinning with a vodka Coke
Everybody at my fingertips
I was gonna get my coat
And baby, you were meant to follow me
And I was gonna act surprised
Even though I'd know you wanted me

It's not like I've been crying, no
There's just smoke in my eyes

'Cause this ain't no John Hughes movie
Where the girl gets the guy
You look right through me
Every time you walk by
I keep waiting for the heartbreak music
That's never gonna come
'Cause if you don't want me
Then you're not the one

Sitting on a bathroom floor
Tryna get my composure back
Think I built it up too tall
Knew I should've worn my Adidas
Maybe if I'd reined it in
You wouldn't wanna kiss somebody else
And you don't owe me anything
So I'm just gonna walk home by myself

And it's not like I've been crying, no
There's just smoke in my eyes

'Cause this ain't no John Hughes movie
Where the girl gets the guy
You look right through me
Every time you walk by
I keep waiting for the heartbreak music
That's never gonna come
'Cause if you don't want me
Then you're not the one

Oh, oh, no, you're not the one
What am I gonna say? What am I gonna do?
All of our stupid friends know that I'm here for you
Guess I misunderstood, thought you liked me too
What am I gonna say? What am I gonna do?
Everyone told me so, don't wait around for you
Guess I misunderstood, thought you liked me too

'Cause this ain't no John Hughes movie
Where the girl gets the guy
You look right through me
Every time you walk by
I keep waiting for the heartbreak music
That's never gonna come
'Cause if you don't want me

Then you're not the one

Oh, oh, then you're not the one

Oh, oh, no, you're not the one

You're not the one, not the one, no

You're not the one, not the one, no

Not the one, no

Oh, oh, no, you're not the one

You're not the one, not the one, no

You're not the one, not the one, no

'Cause if you don't want me

Then you're not the one
