

What That Was

Majical Cloudz

Me and my friend Neil
It's just how we feel
No one here's gonna step on our toes
When we're out together
Nothing could be better
Catching spots and watching shows

Hey, I think that you're the best friend I have ever had
Hey, I don't know now if I'll be gone for a short time

Me and my friend Neil
We go where we feel like
No one here's gonna step on our toes
Out on the end of Pond Street
That's where me and Neil meet
To go everywhere that we go

Hey, what was that? We've been living in the same spot for 5 years
I didn't know then that I'd be around for a long time

Me and my friend Neil
We go where we feel like
We don't need anyone to step on our toes
And when we go out on fridays,
We come back on saturdays
Me and him painted until the sun rose

Hey what was that? You're the best friend that I have ever had
I didn't think about it until now but I'll be gone for a small time
