

Stop & Go

Major Lazer

Firefly
I'm alright

You say it's not you but it's me
I feel you falling but you flee
I'm nothing like this basic hoes
I don't deserve this stop and go
Stop and go

What are you afraid of (please reveal all to me)
What are you afraid of (Open absurdly)
What are you afraid of (please reveal all to me)
What are you afraid of (Open absurdly)

Stop and go
Stop and go
Stop and go
Stop and go

You say it's not me but it's you
The whiplash knowing what is true
We both addicted to the pain
We've only got ourselves to play games

Stop and go
Stop and go

What are you afraid of (please reveal all to me)
What are you afraid of (Open absurdly)
What are you afraid of (please reveal all to me)
What are you afraid of (Open absurdly)
