Major Lazer

Mi want a big batty gyal wid a waist pon tiny, tiny
One Jamaican gyal wid a pum pon chiney, chiney
Mi want a big batty gyal wid a waist pon tiny, tiny
One Jamaican gyal wid a pum pon chiney, chiney

I'm moving with caution (Yeah, yeah, yeah)
I don't do this often (Yeah, yeah, yeah)
Something 'bout the way you keep it real
Something 'bout the way you keep it
Something 'bout the way I make you feel
Something 'bout the way I make you
Remind me of a girl I once knew
Oh, you remind me of a girl I once knew
And I said that, said that since I met you
And you swear that, you swear you never meant to (Oh, oh)

Way you keep it real
Way you keep it real
Way I make you feel
Something 'bout the way I make you
Way you keep it real
Way you keep it real
Way I make you feel
Something 'bout the way I make you (Oh, oh)

Mi want a big batty gyal wid a waist pon tiny, tiny (Big batty gyal)
