

# Hometown Heroes

Major League

My soul it past down forty five  
Heartbeats synchronized, yours with mine  
Yours with mine

Hometown Heroes in disguise  
We are the, we are the home (Home)  
Hometown Heroes in disguise  
And now it's our time to shine

The music hits the ears of passers by  
Boardwalks and summer nights  
Hand in hand, yours in mine  
Yours in mine

Hometown Heroes in disguise  
We are the, we are the home (Home)  
Hometown Heroes in disguise  
And now it's our time to shine

If you want to get down with the get down  
Then step in line  
Holla atcha boy  
Cause it's my time to shine

Hometown Heroes in disguise

Hometown Heroes in disguise  
We are the, we are the HOME

So fresh so clean unfamiliar to your eyes  
And now it's our time, and now it's our time  
And now it's our time to shine

Hometown Heroes in disguise  
And now it's our time to shine
