Yeah
Nah, nah, nah, nah, nah, nah
Uh-huh, yeah

You way too fine to waste time
That's why you never on pause when we on FaceTime
And them niggas be mad 'cause they can't get you
Bitches like, "Damn, why that nigga even with you?"
Tell 'em mind they business, touch they nose
They mad I treat you like a queen and not a ho
Real niggas do real things
And don't compare me to your ex 'cause we not the same, yeah
I got a lil' more drip with a whole lot of dick
Take way more trips, blow a bag at the strip, yeah
And I'ma make it right back
Show you how to get your own, I know you like that, yeah

That's why you never on pause when we on FaceTime
And them niggas be mad 'cause they can't get you

Bitches tripping over niggas that won't show up
She watch his Snap every night to see him go up
She like, "Damn, when this fuckboy gon' grow up?"
He got you looking for love in all the wrong places
She fell in love but she feeling like a replacement
Give that boy a problem but you know he can't take it
Now you fully dressed but you feeling real naked
All you need is a lil' bit of love
Post a couple pictures, bet they wanna be us
Never give them hoes shit to talk about
'Cause they gon' talk any way, them hoes be talking now
I'm a motherfucker, they gon' tell you all type of shit
Same hoes in my phone tryna eat a nigga dick
Same hoes couldn't help when I ain't really have shit
I ain't worried 'bout them hoes, I'm only worried 'bout my bitch, that's why
