

Hating Now

Major Nine

We be fucking when she come in town
And I fuck wit lil shawty cause she gone hold it down, yeah
(Na na na na na na nah)

We be fucking when she come in town
And I fuck wit lil shawty cause she gone hold it down
They was hating back then
I bet they hating now, yeah
We be fucking
And I fuck wit lil shawty cause she gone hold it down
They was hating back then
I bet they hating now, yeah

You said you was gone be my ryda
I said I don't believe in no liar
You said we should put this beside us
Now I will spin a block for you
And I will never stop for you
And I get it, 30 shots for you
And the whole city drops for you
Long as you keep it G wit me
Show me that you believe in me
Cause I ain't got nobody and you my only body
Yeah they lied when they said that they got me, yeah
Really from the trenches had some shit I couldn't mention cause I know that
wasn't you
You wouldn't know what to do, yeah
But you gone hold it down
And them hoes gotta respect it when you come around, yeah

We be fucking when she come in town
And I fuck wit lil shawty cause she gone hold it down
They was hating back then
I bet they hating now, yeah
We be fucking when she come in town
And I fuck wit lil shawty cause she gone hold it down
They was hating back then
I bet they hating now, yeah

I said they only gonna tell you what they want to
They gone slide up in yo DMS cuz they want you
And it's on you to give em play
Any time a day I think them niggas could wait
So call my phone when you in my city
And you know when you pop up I got my bruddas wit me, yeah
Let's hit shooters I need a porter house
And if you wanna hit the club play pins outside
Cause they fuck wit me yeah they fuck wit me
They turning up wit me , they turning up wit me
Yeaaaaah
Show me real love
If you don't fuck wit me
Middle fingers up
I think they mad at us
Cause they can't fuck wit us
You gotta hold it down
Don't let em fuck it up

You gotta hold it down
Don't let em fuck it up

We be fucking when she come in town
And I fuck wit lil shawty cause she gone hold it down
They was hating back then
I bet they hating now
We be fucking when she come in town
And I fuck wit lil shawty cause she gone hold it down
They was hating back then
I bet they hating now, yeah
We be fucking when she come in town
And I fuck wit lil shawty cause she gone hold it down
They was hating back then
I bet they hating now, yeah
We be fucking when she come in town
And I fuck wit lil shawty cause she gone hold it down
They was hating back then
I bet they hating now, yeah
