

Nothin'

Major Nine

I can't feel my face I'm falling
Nanananana
Nanananana
Nanananana
Play with your pussy and your heart, but I can't make your mind
I can't take love but I can give it, let me fix your spine

I can't feel my face I'm falling
They can't kill my vibe no problem
DND, five percent all on collins
Treat me like I'm nothing, but call me when I'm balling
Roll my drugs, just so they don't get rolled on
Hit my phone, I'll never tell you hold on
Promise me, you'll teach me your astrology
I'm not flawless, no apologies
I give my all and my arteries
I'm going to hell if my blood hit the pavement
Family first and I ain't making no arrangements
Grew up with them cavemen, make his chest cave in
Bebe kids, war wounds out the projects
I'm from the hood, he from the hood
It ain't no contest
I got problems and ash burns on my armrest
Checking all their energies, I'm knowing if they harmless

I can't feel my face I'm falling
They can't kill my vibe no problem
DND, five percent all on collins
Treat me like I'm nothing, but call me when I'm balling

I can't feel my legs I'm floating
I just want the head, if I fuck I lose focus
Really charged up, I'm having way more than motion
I ain't from the beach, you'll never catch me coasting
Rolling in some shit that them hoes can't see
Roll the window up when you make sure he ain't breathing
Jimmy Butler with this cutters, yea them bitches heat seeking
Get it done today, I don't listen to The Weekend

I can't feel my face I'm falling
They can't kill my vibe no problem
DND, five percent all on collins
Treat me like I'm nothing, but call me when I'm balling
Roll my drugs, just so they don't get rolled on
Hit my phone, I'll never tell you hold on
Promise me, you'll teach me your astrology
I'm not flawless, no apologies
I give my all and my arteries
