## My Isle Of Golden Dreams

## Makaha Sons of Ni'ihau

Out of the mist, lips I have kissed Call tenderly

Out of the west, hands I have pressed Beckon to me

Over the sea, waiting for me Lonely and blue

Somebody sighs, somebody cries "I love you, I love you"

Drifting in dreams, drifting it seems Back to the shore

Where hand in hand, over the sand We'll stroll once more

Heart of my heart, no more we'll part I hear her say

But with the dawn
My dream has gone astray

I hear the voice of my land Calling me it seems

That fair Hawaiian island My Isle of Golden Dreams

Somehow I know, sometime I'll go Back o'er the sea Where all alone, someone I've known Waits patiently

Lips I have kissed, lips I have missed Whisper it seems
Come for awhile, Back to your Isle
Of dreams

Thy Isle of Golden Dreams My Isle of Golden Dreams
