All over Hispaniola  
Do Salve in cafe  
All over Hispaniola  
Listen what they say  
Feel it so infectious  
In Santo Domingo  
Make me very nervous  
Down in Puerto Rico

To Rock 'n' Roll (For you Baby)  
Ah Discago (For you Baby)  
To Rock 'n' Roll (For you Baby)  
Ah Discago (For you Baby)  
To Bolero (For you Baby)

Don't be frightened grab it  
Your hips serve a purpose  
It's a present have it  
Moving's so contagious  
In Santo Domingo  
I feel it so infectious  
And in Puerto Rico  
Make me very nervous

Of someone else's lips
