That's my favorite shirt now

That's my favorite shirt now (My favorite shirt now)

That's my favorite shirt now

What did you want from me?

I gave you everything that you wanted

Now I am full of anger and jealousy

What happened-

That's my favorite shirt now (My favorite shirt now)

That's my favorite shirt now

That's my favorite shirt now (My favorite shirt now)

That's my favorite shirt now

What did you want from me?

I gave you everything that you wanted

Now I am full of anger and jealousy

What happened to me?

What did you want from me?

I gave you everything that you wanted

Now I am full of anger and jealousy

What happened to me?
