

# Hesitating

Malcolm Todd

Babe, give me up before  
Then you don't wanna talk about it  
Wait, now do I want you more?  
Girl oh my God

Wrongfully hesitating, I swear I would wait  
It's just hard for me everyday  
When I don't know your  
Thoughts cause you never told me  
While she was my one and only  
I want it all  
I want (ohh)

I wanna try, but I don't know what I could ever say  
When you won't even go to mine  
But if you called me up I'd stay  
For you (ooh, ooh)  
No I don't wanna be the guy to give her everything she likes  
Until he's blue (ooh, ooh, ooh)  
But if you go and try it  
I might have to cross the line and say

Babe, give me up before  
Then you don't wanna talk about it  
Wait, now do I want you more?  
Girl oh my God

Wrongfully hesitating, I swear I would wait  
It's just hard for me everyday  
When I don't know your  
Thoughts cause you never told me  
While she was my one and only  
I want it all  
I want (ohh)

Wrongfully hesitating, I swear I would wait  
It's just hard for me everyday  
When I don't know your  
Thoughts cause you never told me  
While she was my one and only  
I want it all  
I want all
