I wanna give you all my love you left instead  
Is the end of you in my bed  
Don't just go stay for one game  
You grabbing me I'll grab my lover and the bed frame  
(Oh oh)  
All we have left is what was  
Come kiss me like we're not done  
We'll take our time wait and see  
But you want fun  
Girl then feel me

Take time off see if you can find it  
Now we can't get lost  
I'm not mad at you it's just not the same feel  
Don't forget why  
You gave it up to Mr. can't fly  
Still you want it all  
Fall is turning to June  
Time don't come soon  
She wanna a reminder of something behind her

I wanna give you all my love you left instead  
Is the end of you in my bed  
Don't just go stay for one game  
You grabbing me I'll grab my lover and the bed frame  
(Oh oh)  
All we have left is what was  
Come kiss me like we're not done  
We'll take our time wait and see  
But you want fun  
Girl then feel me

I'm gonna miss you so  
But it won't be that bad  
We'll just move along  
Thanks for what we had  
You're already gone  
Now I'll let my guard down  
But you'll still like my songs

I wanna give you all my love you left instead  
Is the end of you in my bed  
Don't just go stay for one game  
You grabbing me I'll grab my lover and the bed frame  
(Oh oh)  
All we have left is what was  
Come kiss me like we're not done  
We'll take our time wait and see  
But you want fun  
Girl then feel me
