

New Friends

Malcolm Todd

Okay, just tell me baby where you wanna go
I'm gonna take you down to places even you don't know
You're gonna miss it when I leave the room
And I wanna see you soon too
'Cause you're my love

(Haha, okay, yeah, yeah)
Text the old girl I can't let the hoe know (Haha)
Broke up with my ex, where did all my hoes go? (Yeah, where you
at?)
Rockin' Ralph Lauren tees in a polo (Uh-huh)
Quit my day job, now I don't got no phone (Haha, yeah)
You say "it's getting late" and now you wanna go home
And I don't wanna wait to see your face again, oh no
Yeah, but if you stay I know a perfect place we can go
Yeah, I'll make it worth it, yeah, haha

Okay, just tell me baby where you wanna go
(Broke up with my ex, where did all my hoes go?)
I'm gonna take you down to places even you don't know
You're gonna miss it when I leave the room (Haha, okay, yeah)
And I wanna see you soon too
(Yeah, I'll make it worth it, yeah, haha)
'Cause you're my love

Oh, oh-oh
(Let me tell you what I gotta do)

I gotta make some friends
'Cause I'm not friends with you no more
I gotta take those hands and hold them one more time before I g
o, yeah
Make some friends, 'cause I'm not friends with you no more
We gotta break those hands, oh
We gotta break those hands, oh, sing it
I gotta make some friends, I gotta make some friends
I gotta make some friends, I gotta make some friends
I gotta make some friends, oh, I gotta make some friends, oh
I gotta make some friends, I gotta make some friends yeah (Oh),
yeah
