

Pillow

Malcolm Todd

Just one more song for you
I don't know what to do
I don't know what to say
'Cause you pushed me away
Should I start with hello
Should I let you let go
Just one more song goodbye
Kiss your pillow goodnight

Can you find memories from home
Time flies by you lose a hold of your nights sleep alone
I can't be mad memories are gone

I can't be your friend no well maybe depends on
If your heart is in it but it's not we're finished
You loved me I loved you
There's no more of us to
It's alright it's alright it's alright

Just one more song for you
I don't know what to do
I don't know what to say
'Cause you pushed me away
Should I start with hello
Should I let you let go
Just one more song goodbye
Kiss your pillow goodnight
