

Sore Throat

Malcolm Todd

Maybe, you can't be the one
Maybe, I've been holding on
Maybe, we're too young
This is not for saving
It's your time to go
It's my time to be alone
See you through the phone (Ooh oh oh oh)

I feel safe here
This is not for saving (Oh Oh)
This is not for saving
I feel safe here
This is not for saving (Oh Oh)
This is not for saving

This is not for saving
I don't wanna wait
You just wanna walk away
Now I just lost my place
Feel bad, Is this gone?
Think I'll be the one that's not your man
'Cause I became the man that you can't stand

Maybe, you can't be the one
Lately, I've been holding on
Maybe, we're too young
This is not for saving
It's your time to go
It's my time to be alone
See you through the phone (Ooh oh oh oh)

I feel safe here
This is not for saving (Oh Oh)
This is not for saving
I feel safe here
This is not for saving (Oh Oh)
This is not for saving

Goodbye, Goodbye, Goodbye
Goodbye, Goodbye, Goodbye (Ooh oh)
Goodbye, Goodbye, Goodbye (Ah ah)

Goodbye, Goodbye, Goodbye
Goodbye, Goodbye, Goodbye
Goodbye, Goodbye, Goodbye (I said goodbye)

Goodbye, Goodbye, Goodbye
Goodbye, Goodbye, Goodbye (Ooh oh)
Goodbye, Goodbye, Goodbye (Ooh)

Goodbye, Goodbye, Goodbye
Goodbye, Goodbye, Goodbye
Goodbye, Goodbye, Goodbye (I said goodbye)

Goodbye, Goodbye, Goodbye
Goodbye, Goodbye, Goodbye (Ooh oh oh)
Goodbye, Goodbye, Goodbye (Yeah ah)

Goodbye, Goodbye, Goodbye
Goodbye, Goodbye, Goodbye (Ooh oh oh)
Goodbye, Goodbye, Goodbye (Yeah ah)
