Malcolm Todd

All your love got me feeling like I'm  
Starstudded  
The rain ain't pouring on my head like it should be

Diamonds instead of eyes diamonds instead of eyes  
Diamonds instead of eyes diamonds instead of eyes

Ooh yeah  
Starstudded  
The rain ain't pouring on my head like it should be

Two years gone but I still here those cries, ooh  
Make me wanna move girl  
Can't you see you are my whole world

Diamonds instead of eyes diamonds instead of eyes  
Diamonds instead of eyes diamonds instead of eyes

All your love got me feeling like I'm

Starstudded  
The rain ain't pouring on my head like it should be

Diamonds instead of eyes diamond instead of eyes  
Diamonds instead of eyes diamonds instead of eyes

Starstudded  
The rain ain't pouring on my head like it should be
