Hatred Justified

Malefice

There's mass disbelief as our capital shook
With ample warning none of which was taken
Are we the ones to blame, but that's hardly the point
Conspiracies forgotten and heroes shine

Hate justified
Take some time to remember the lives that were lost

Our spirit's been broken now, but our hearts remain the same
And the scenes from this day paint a perfect picture of us
Hatred justified, hatred justified

Hundreds of meters beneath our feet
Our people subjected to absolute horror
Praing they'll wake up that his was just a bad dream
A nation looks on in dibelief

Hate justified
Take some time to remember the live that were lost

Our spirit's been broken now, but our hearts remain the same
And the scenes from this day paint a perfect picture of us
Hatred justified, hatred justified

Lining up running away
As the tunnels consume them
Chased by a fires embrace
A polluted atmosphere

Our spirit's been broken now, but our hearts remain the same
And the scenes from this day paint a perfect picture of us
Hatred justified, hatred justified

Against all the odds, heroes shine
Right to the end, united as one
