

Strength In Numbers

Malevolent Creation

Pile up the masses
Ready to make our strike
Try to play us
Raise up it's now our time

Put down too long
As we lay in wait
Gather the many
Onward now we slay

Maybe now they'll notice
This is for real
Minions will assemble
Sounds start to tremble
Strength in numbers

Pile up the masses
Ready to make our strike
Try to play us
Raise up it's now our time

Put down too long
As we lay in wait
Gather the many
Onward now we slay
RISE

Waiting for our call
As one standing tall

Our Strength in numbers
Will Rise
