Strength In Numbers

Malevolent Creation

Pile up the masses
Ready to make our strike
Try to play us
Raise up it's now our time

Put down too long As we lay in wait Gather the many Onward now we slay

Maybe now they'll notice This is for real Minions will assemble Sounds start to tremble Strength in numbers

Pile up the masses
Ready to make our strike
Try to play us
Raise up it's now our time

Put down too long As we lay in wait Gather the many Onward now we slay RISE

Waiting for our call As one standing tall

Our Strength in numbers Will Rise
