Mali Music

As I walk
Through the valley of the shadow of fear
I see a lot of people here

How do you make a living?
How do you make income?
I hear my brother say:
"Hustlin' now"
I see my sister do the
Butt-showin' now
You at the bottom with no luck
People don't care, people don't give a (ha!)
Ooh ooh ooh
Oh she wanna
You know she movin' like a hoochie mama
Ooh boy don't you know
Ba-da-da-da-da-da-da
Ooh he wanna
Look at his suit he got a Gucci, mama
Ooh girl don't you know, yeah

Dolla, dolla, dolla
Talkin' money baby
Dolla, dolla, dolla
Take your money baby
Makin' money in this crazy, chady world
Money in this crazy, chady
Got the dolla, dolla, dolla
Get your money sign
Dolla, dolla, dolla
Get your money round
Makin' money in this crazy, chady world
Money in this crazy, chady
Dolla, dolla, dolla

As I walk through the valley in the dark of the night
I see the system feelin' right
How can we make a living?
Man, how can we make it flow?
All those pretty people say
They want more and all
Then all the people can do
Vidloading now
You at the bottom with no luck
People don't care, people don't give a (ha!)
shh!
Ooh ooh ooh
Oh she wanna
You know she movin' like a hoochie mama
Ooh boy don't you know, yeah
Ba-da-da-da-da-da-da-da

Ooh girl don't you know, yeah

I met up with a partner
he was swimming in it
Told me he wasn't just spinnin'
Now he was winnin' with it
Shook me up, but yeah
I'm like: "I feel that, could you fit me in it?"
He told me I had the power
I've been flippin' since
Takin' the dollars I've made
Since I've been stackin' paper
Using the soothe, the sound of the music
My money makin', crazy favour
You'd better know they bought that freedom note
I just politely moved to the box
to check no, I let go
(Go!)

Oh she want it
You know she movin' like a hoochie mama
Ooh boy don't you know
Ba-da-da-da-ba-da-da
Ooh he want it
Look at his watch he got a Gucci, mama
Ooh girl don't you know, yeah

Dolla, dolla, dolla
