

Never Failed Me Yet

Mali Music

Out of all these years on the battlefield
God has never failed me yet
Out of all these years I've shed so many tears
Lord has never failed me yet
Oh Lord
Lord has never failed me yet
Sing it again, sing it again
Lord has never failed me yet
Lord has never failed me yet
Lord has never failed me yet

Out of all these years out of everyone we've lost
God has never failed me yet
Out of all these years on the battlefield
God has never failed me yet
God has never failed me yet
Through the storms and the tests
He's been faithful
Lord has never failed me yet
Lord has never failed me yet
Lord has never failed me yet
