

Beast Of Blood

Malice Mizer

Senketsu ni somaru mirai no toki... hageshiku modaeru honnou

Beast of Blood

Place of silence, moving shadows
Crimson eyes are strangely gleaming in the darkness
Madness starting to awake
Playful desire starving of blood
Get down limitless night

Beast of Blood

Along with the scream from the death throes
Sharp claws are shining brighter
Dually obscene breaths continues
And rips apart the silence of the night
Crossing the uplifting night
Get down limitless night

Beast of Blood

kokyu ni karamaru chi no kaori ga koukotsu no yoru ni tadayou
senketsu ni somaru mirai no toki... hageshiku modaeru honnou
kokyu ni karamaru chi no kaori ga koukotsu no yoru ni tadayou

Beast of Blood

No fear, no sadness
Lofty life is tasting loneliness and eternity
And near by the target with no more life
Red drops on my greedy lips
Falls down on the freezing ground
Get down limitless night

Beast of Blood

Spills blood on me 'til it fills my body

kokyu ni karamaru chi no kaori ga koukotsu no yoru ni tadayou
senketsu ni somaru mirai no toki... hageshiku modaeru honnou
tsumetai karada ni hotobashiru yokubou o akai chi de uruosu
kairaku no sakebi hibiku yoru ni... surudoku myaku utsu honnou

kokyu ni karamaru chi no kaori ga koukotsu no yoru ni tadayou
senketsu ni somaru mirai no toki... hageshiku modaeru honnou
