

# Free Your Mind

Maliq & D'Essentials

Free your mind, soul divine, dig that to your heart  
Show your love 'cause it's beautiful  
(Come on come on come on)  
For the highest time of your life  
(Come on come on come on)  
For the precious time of your life, oh

Free your mind (mind), free your soul (soul)  
Your love get down to the rhythm  
Let it fly 'cause love will find a way  
Love will find a way

Feel the sky, heart won't lie, for everything you denied  
Show your love 'cause it's wonderful  
(Come on come on come on)  
For the precious time of your life, oh

Free your mind (mind), free your soul (soul)  
Your love get down to the rhythm (yeah)  
Let it fly 'cause love will find a way  
Love will find a way (yeah)  
Free your mind (mind), free your soul (soul)  
Your love get down to the rhythm (down)  
Let it fly 'cause love will find a way  
Love will find a way  
Love will find a way

(You and I) Tell me what is going on between you and I  
(You and I) Let me take you by the hand and fly away  
(You and I) Love will always find a way  
(You) Love will find a way

Free your mind (mind), free your soul (soul)  
Your love get down to the rhythm (yeah)  
Let it fly (oh) 'cause love will find a way  
Love will find a way (yeah)  
Free your mind (mind), free your soul (soul)  
Your love get down to the rhythm  
Let it fly (let it fly) 'cause love will find a way (yeah yeah yeah)  
Love will find a way

Free your mind, free your soul (ooh you've got to free your love)  
Free your mind, free your soul (ooh you've got to free your love)  
Free your mind, free your soul (yeah you've got to free your love)  
Free your mind, free your soul (you've got to free your)  
Free your mind, free your soul (you know you've got to let it free, y  
ou know you've got to let it free)  
Free your mind, free your soul (free your love)  
Free your mind, free your soul (you know you've got to let it free, y  
ou know you've got to let it free)  
Free your mind, free your soul (free your mind)
